What can you do if the laptop LCD screen turned completely white? From my experience I can tell that this problem may be related to the following:

LCD screen turned completely white | Laptop Repair 101

In this post I will summarize most common laptop hardware related problems and give some suggestions how to troubleshoot or repair them. Problem 1.

Most common hardware problems | Laptop Repair 101

Unfortunately, with only that to go on, there are hundreds, if not thousands, of possible answers. To really diagnose, we'd need a lot more information about the system it's happening on, the software and hardware installed, and what was happening at the time the problem happened.. I'll throw out some guidelines, so perhaps you can narrow down the diagnosis.
