### **Ford F150 How to Recharge Air Conditioning - Ford-Trucks**

I recharged the ac system on a 2000 ford mustang. The ac clutch is not engaging. I changed the high pressure switch and low pressure switch. When I have a little freon in the system, it works fine but blow warm air. I put more freon in it and the clutch doesn't work anymore. I check for voltage at the low pressure switch and there is 13.73 volts.
