4. Stand Firm. You may have apologized and be going all out to help your customer, but you don't want him to walk all over you. If he's factually wrong or if he's not letting you get a word in, you may need to be more assertive to get your message across.. If you're a team manager, your team member may ask you to step in to help resolve the situation.

A Course in Miracles is all about forming and reinforcing the practice of receiving and extending miracles. This is the journey Home. This is the core of our reawakening to the strength and peace of God that has never left us. We have just temporarily covered It up by putting our faith in the false ideas of believing in bodies.

**A Course in Miracles Practitioner Training**

Staff should have knowledge of: 1) effectively working with younger students, 2) the ability to create relationships with community employers, 3) assisting in matching students with work opportunities, 4) understanding the various school constraints and Department of Labor regulations, 5) identifying/arranging workplace supports for the student ...
