Community Reviews. Enter Robert O. Paxton's *The Anatomy of Fascism*, a needful corrective to the popular conception of fascism—not merely in the service of historical accuracy, but also as a important reminder that the ghosts of fascism, as a viable electoral current, haunt global politics even to this day.

The Anatomy of Fascism by Robert O. Paxton - Goodreads

About *The Anatomy of Fascism*. What is fascism? By focusing on the concrete: what the fascists did, rather than what they said, the esteemed historian Robert O. Paxton answers this question.

The Anatomy of Fascism by Robert O. Paxton ...

The Anatomy of Fascism, by Robert Paxton (2004) It was liberals and conservatives, frightened not by fascism, but by the Left, who accepted fascists into their coalition governments and gave them the opportunity to govern. In Italy, despite the fact that the pan-Italian fascist march into Rome turned into a fiasco,...

The anatomy of fascism - Robert O. Paxton. From the first violent uniformed bands beating up "enemies of the state," through Mussolini's rise to power, to Germany's fascist radicalization in World War II, Paxton shows clearly why fascists came to power in some countries and not others, and explores whether fascism could exist outside...

The anatomy of fascism - Robert O. Paxton - Libcom.org

The Invention of Fascism. Fascism was the major political innovation of the twentieth century, and the source of much of its pain. The other major currents of modern Western political culture—conservatism, liberalism, socialism—all reached mature form between the late eighteenth century and the mid-nineteenth century.

The Anatomy of Fascism. From the first violent uniformed bands beating up "enemies of the state," through Mussolini's rise to power, to Germany's fascist radicalization in World War II, Paxton shows clearly why fascists came to power in some countries and not others, and explores whether fascism could exist outside the early-twentieth-century...

The Anatomy of Fascism - Robert O. Paxton - Google Books

Summary. He referred to his movement as the *Fasci di Combattimento* (fraternities of combat). "If something begins when it acquires a name," Robert Paxton argues, fascism began on that date. Paxton notes that both the term "fascism" and the politics connoted by it have much older roots. As implied by the Italian *fascio*, meaning a bundle or sheaf,...
